JBG-2 Sp. z o.o. reserves the right to change the standards of devices or to withdraw products without prior notice.

Designation of the energy efficiency class is dedicated to a particular products, which are presented on each page of the catalogue. Indicated energy efficiency class depends on a module type, equipment, glassing version and type of a refrigerant. Amendment of each of the said parameters may cause amendment of the energy efficiency class. Contact the producer to acknowledge the energy efficiency class for the product with different parameters to those presented in the catalogue.
